Subject: Indiana Do Not Call List - proceeding 02-278

FEB - 4 2005

DOCKET FILE COPY ORIGINAL
General Communications Commission
Office of the Secretary

The Indiana Attorney General has advised the citizens that certain groups are want to make calls to those of us that have registered for the Indiana "Do-Not-Call List". I am an Indiana citizen who is benefiting from this list and I do not want this changed or eliminated. I urge you to NOT grant their request.

Thank you.
